Feedback

Thank you for your purchase of the now industry standard for sweepers. PowerBoss Takes great pride in offering the most dependable, reliable and best value in industrial sweepers and sweeper scrubbers.

Our publishing department would like to hear from you. If you see any errors, omissions or something that needs clarification in this parts manual, please let us know. We are working hard towards perfection in our corner of the process. Please fill out the form below on how you found our manual, or you may contact us via e-mail or good old fashion telephone. The contact information is at the bottom of this page.

Notes

This image shows a single sheet of white paper with ten horizontal dashed lines, typical of primary-ruled notebook paper. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

This manual is for every current **PowerBoss** Armadillo 9X series sweeper. It provides the parts lists for your new machine.

This manual covers all standard SW/9X machine variations.

The machine will provide excellent service. However, the best results will be obtained if:

- The machine is operated with reasonable care.
- The machine is maintained regularly per maintenance schedule provided.
- The machine is maintained with **PowerBoss Inc.** supplied or equivalent parts.

All right side and left side references to the machine (except for engines) are determined by facing the direction of forward travel. The front of the engine faces the rear of the machine. Some hardware considered to be common or locally available has been omitted from the parts section to make the manual clearer. Be sure to use equivalent hardware when replacement becomes necessary.

Parts may be ordered by phone or mail from any **PowerBoss** parts and service center. Before ordering parts or supplies be sure to have your machine model number and serial number handy. Fill out the data block below for future reference.

MACHINE DATA	
<i>Fill out at installation</i>	
Serial Number:	_____
Engine Serial Number:	_____
Sales Rep.:	_____
Date of Install:	_____
Manual p/n: 4100000 rev A

Standard Abbreviations

°C-Degrees Celsius	INFO-Information
°F-Degrees Fahrenheit	INT-Internal or Interior
12V-12 Volts DC	LG-Long
AR-Abrasion Resistant	LH-Left Hand
ASSY-Assembly	LPG-Liquefied Petroleum Gas
ATO-Standard Auto Fuse Type	LP-Liquefied Petroleum
Also called ATC	M8x1-Indicates Metric threads,
BHSCS-Button Head Screw SS	8mm Dia with a 1mm thread pitch
BLK-Black	MM-Millimeters
BLT-Belt	MNT-Mount
BR-Brass or Broom or Brush	MS-Mld Size
BRM-Broom	OD-Outside Diameter
BRKT-Bracket	PLTD-Plated
CB-Curb Broom	PNTD-Painted
CCW-Counter Clockwise	REV-Reverse
CG13-Nissan Gas/LP Engine	RH-Right Hand
CI-Cubic Inch	ROT-Rotation
CW-Clockwise Rotation	RTR-Rotary Trash Relocator
CYL-Cylinder	SCR-Screw
DEG-Degrees	SC-Scrubber
DIA-Diameter	SP-Service Part
DPDT-Double Pole Double Throw	SPDT-Single Pole Double Throw
ELEC-Electric	SPST-Single Pole Single Throw
ES-Elastic Stop, also Nyloc	SS-Stainless Steel
Also: Engine Swing	STR-Straight
EXT-Exterior or Extended	ST-Straight
FI-Fuel Injection	SUB-Sub Assembly
FS-Full Size	SW/A-Sweeper/Armadillo
FTG-Fitting	THD-Thread
FWD-Forward	THK-Thick
GAL-US Gallon (3.79 Liters)	THRU-Through
GOV-Governor	UNC-Unified Nat'l Coarse Threads
HD-Head	UNF-Unified Nat'l Fine Threads
HD-Heavy Duty	V1505-Kubota Diesel Engine
HOP-Hopper	W/-With
HSS-High Speed Steel	WELD-Weldment
HT-High Temperature	W/O-Without
HT-Height	ZP-Zinc Plated
HYD-Hydraulic	
ID-Identification	
ID-Inside Diameter	
IMP-Impeller

Main Broom User's Guide

Proex & Wire - Slightly encrusted soilage & dusty conditions. High heat.

Nylon - General purpose broom with long life bristles.

Poly Proex - All purpose broom that stands up well on rough surfaces.

High Density Nylon - Highly effective for small particle soilage. Severe dust environments.

Crinkle Wire - Stiff bristles for compacted grime, oil, grease or mud. Fair to good broom life.

Natural Fiber & Wire - Good all around broom. Good for high heat applications.

Side Broom User's Guide

Poly - Stiff bristles for aggressive sweeping of mainly heavy litter. Not suited for high heat.

Nylon - Provides longest life. Recommended for tough sweeping jobs.

Wire (flat) - For areas of heavy grease build up or scarifying action. Used in high heat applications.

Option - HD RH Side Broom Guard - 3317302

HD LH Side Broom Guard - 3330755 (not shown)

Product Warranty

MACHINE MODELS: SW/9XV, SW/9XR, AM9D, AM9LPG

PowerBoss warrants to the original purchaser, that the PowerBoss machine will be free from defects in materials and workmanship for a period of forty-eight (48) months or 2,800 operating hours whichever comes first; the engine warranty extends to 60 months or 3000 hours. Written notice of any claimed defect must be given to PowerBoss within the warranty period and within thirty (30) days after such defect is discovered. Liability under this warranty is limited to either replacing or repairing, at PowerBoss's election, any part or parts deemed defective after examination by PowerBoss or an Authorized Service Representative.

For one hundred eighty (180) days from date of installation, PowerBoss will provide repair labor at no charge, solely through an Authorized Service Representative. Thereafter, labor will be charged. Labor coverage is extended only to those items on which service was performed, and which failed as a result of defects in materials or workmanship. Normal preventative maintenance or adjustments, wearable parts, such as but not limited to flaps, filters, seals, spark plugs or similar items are not eligible for warranty coverage; parts or labor. Brushes are prorated against defects in materials or workmanship for twelve (12) months; hoses are warranted for six (6) months.

Travel is eligible for warranty consideration the first thirty (30) days after installation. The same provisions and exclusions apply to travel coverage as to labor and part eligibility.

This warranty does not extend to any PowerBoss machine, or it's parts, that have been subject to misuse, accident or improper handling, installation, maintenance or application, nor does it extend to PowerBoss machine and/or parts which have been repaired or altered outside PowerBoss's plant or the facility of Authorized Service Representative.

Only authorized PowerBoss replacement parts purchased from PowerBoss, are eligible for warranty consideration and are warranted against defects in materials and workmanship for the duration of the units warranty or (30) days, whichever is longer (Exception being wearable parts, such as but not limited to flaps, filters, seals, spark plugs or similar items. These items are to be free of defects in materials and workmanship when received and are not eligible for additional warranty consideration). Damage to or as a result of, utilization of parts not authorized by or purchased from PowerBoss is not eligible for warranty reimbursement; parts or labor.

The warranty set forth herein is in lieu of and excludes any and all other warranties, express or implied, arising by operation of law or otherwise, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose, and customer waives any obligation or liability of PowerBoss arising in tort or strict liability in tort, or for loss or use, revenue or profit with respect to PowerBoss machine and/or parts for any liability of customer to any third party or for other direct, incidental or consequential damages.
